

**Updated 4 November 2009**

**APPROVED PROGRAMS OF INITIAL TEACHER EDUCATION IN NSW AND ACT (ABRIDGED)**

This advice is for prospective teachers and employers. This information replaces Attachment A: Current Courses NSW Universities, in the *Teacher Accreditation Manual* (2005) (pp. 31-33).

Below is a list of initial teacher education programs in NSW and the ACT that are approved by the Minister of Education and Training in accordance with the *Institute of Teachers Act 2004*.

Graduates from an approved program will be eligible for *provisional accreditation* as a teacher in NSW. This presumes compliance by the TEI with the terms of the approval.

The Institute works closely with teacher education institutions to assess programs and recommend approval to the Minister.

The NSW Institute of Teachers issues a *Statement of Eligibility for Accreditation* upon application to all Graduate Teachers of approved NSW initial teacher education programs. The employer as Teacher Accreditation Authority is responsible for accrediting a teacher at the point of employment. See <http://www.nswteachers.nsw.edu.au/Teaching-in-NSW.html>
